

# The 5th International Contest of Applications in Nano-Micro Technology (iCAN'14)

## Sendai, Japan July 19-21, 2014

Honorary Chair : Masayoshi Esashi, Tohoku University

Local Organizing Chair : Kentaro Totsu, Tohoku University

iCAN'14 is open to high school, undergraduate and graduate students in the world interested in translating rapid-evolving nano-micro technology into commercial and industrial applications.

**The subject of iCAN'14 :**

**“Applications in nano-micro technology for disaster reduction and others”**

Students must form a team of 2-4 members.

The project of each team must use nano-micro devices and is demonstrated at final competition.

**Schedule**

Jan-May 2014 : Domestic contest

May 31, 2014 : Final list of iCAN'14

July 19-21, 2014 : iCAN'14 final competition in Sendai

iCAN'14 final competition will be held with the event “Science Day 2014” in Sendai.
